

For the trait "Courage"

Courage

When I show that I'm **courageous**
In everything I do,
I don't give up ~ I never quit...
I want to see it through!

Sometimes when I show **courage**
In choosing what I say
I'm just a little scared inside...
But, I do it anyway!

I'm **courageous** – I am brave...
It means I'm fighting fear.
I stand up tall and speak the truth...
My **courage** is in here. (Point to your heart)

Here's a tip...

Make a *Thank You Jar* and add a stone or penny every time you find something for which you are **THANKFUL**. It won't take long to fill it up! The more **THANKFUL** you are, the more you'll attract into your life things for which to be **THANKFUL**.
